REMARKS

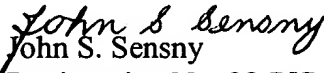

In the Office Action dated April 12, 2006, the Examiner indicated that this application is in condition for allowance, except for informalities in the drawings. The Examiner noted that Figure 1 should indicate that it is prior art, and Figure 2 and 3 should be revised to eliminate hand-written reference numerals. The Examiner required formal drawings in response to the Action.

Applicant is herewith submitting formal drawings for this application. It is noted that, in these formal drawings, Figure 1 is labeled "Prior Art."

It is believed that this submission is fully responsive to the Action of April 12, 2006, and that the application is now in condition for allowance, a notice of which is requested.

If the Examiner believes that a telephone conference with Applicant's Attorneys would be advantageous to the disposition of this case, the Examiner is asked to telephone the undersigned.

Respectfully submitted,
